

Livonia Warriors

THE WARRIORS CODE

Safety Shall Be Our Number One Priority!

- We are a safe team!
- I will stay safe.
- I will remind others to stay safe.
- I will make others feel safe.

Our codes are purposely not numbered. They are all equally essential to our team, our spirit and our reputation as gracious professionals.

-  **Encouragement:** Warriors shall always use their best manners and be generous with compliments and encouragement to each other and other teams.
-  **Composure:** Warriors shall be examples of patience and humility on and off the playing field.
-  **Courtesy:** Warriors will ALWAYS greet and congratulate alliances and opposing teams with smiles, handshakes, high fives, *etc.*
-  **Pride and Presence:** Warriors and mentors are *always* representatives of Livonia Public Schools, Aisin Technical Center, and DENSO – make them proud!
-  **Respect:** Warriors in all personal interactions (verbal or physical) shall remain positive, constructive, and respectful. (Both words and rolling eyes can hurt—don't do it!)

Mediation: Concerns that need to be resolved immediately shall be discussed in private with the team leader acting as a mediator. If the concern involves the team leader, a neutral mentor will act as a mediator. Concerns will always be resolved in groups of three.

I understand that, as a Livonia Warrior, I will be expected to abide by The Warriors Code, putting safety first in all I do. Further, I understand that I will be expected to complete Safety Orientation and take the FRC 2832 Safety Test. If I do not pass the test with 90% accuracy, I understand that I am expected to do ONE of the following:

1. Write an essay outlining the importance of safety.
2. Do a 2-minute presentation on some aspect of safety to the safety mentors.
3. Study and retake the test.
